craftsmen for the home
of to-day*

A STYLE FOR EVERY TASTE - A TYPE FOR EVERY NEED *A price for every purse...*

Whatever your lighting problem may be you will find it a most enjoyable and satisfying experience to equip a room or your entire home with Froelich and Cooper distinctive, decorative lighting fixtures.

Appropriate for any period or style—Colonial, English, Georgian, Provincial, French, Sheraton, Cape Cod, there are, illustrated here, an infinite variety of efficient, superbly styled Froelich and Cooper lighting fixtures from which to choose—charming, authentic, noteworthy pieces that adapt themselves to any room in the home, and at a price every practical home-maker can afford to pay.

New and more efficient methods of production make it possible to deliver unusual value. Skilled craftsmen combining their efforts with expert designers achieve the finest in the field of home illumination at a minimum of cost.

Worthy interpretations of the historical originals which served as their inspiration, Froelich and Cooper lighting fixtures embody a sturdiness of construction—a beauty of finish to last for years and years. All F. & C. lighting fixtures are made of genuine solid copper or brass—are complete, ready for installation.
